About Sethu

Sethu is a Charitable Trust based in Goa, India, to help all children get the best out of their lives, families, schools and communities to grow and develop. Sethu's mission is to be a bridge between children and their families, schools and communities to foster their overall development through awareness, assessments, therapy, educational initiatives, training and capacity building in the community.

Since its inception in June 2005, over 13000 children have been registered at the Sethu Centre for Child Development & Family Guidance, which caters to children with developmental, behavioral, emotional and learning difficulties, from birth to 19 years. Every year over 1000 children are attended to. A multidisciplinary team consisting of developmental & behavioral pediatrician, child psychiatrist, autism interventionist, speech therapist, occupational therapist, behavior therapist, psychologists, psychotherapist and administrative staff assess and manage the children and their families.
